PRODUCTS & SERVICES

STEEL TRADING & DISTRIBUTION

With over 50 years of experience in the steel industry, our expertise lies in trade and distribution of mild steel products. We supply varied steel products to multiple business sectors across the nation. These materials are imported from several international mills.

LIGHTING & SOLAR PRODUCTS

We take pride in being the sole indenters of leading German brand 'Alanod' for more than 20 years. This association allows us to supply the high quality anodized aluminum material to the top lighting brands across the nation.

FLEXIBLE CONDUITS & ACCESSORIES

We have been one of the leading companies in manufacturing of Steel Flexible Conduits since 1987. These flexible conduits are available for sale under the brand name 'SteelFlex'. We have received awards from EEPC for being a regular & consistent exporter of flexible conduits to South East Asia.

ROOFING SOLUTIONS

We have established a standalone brand by name 'StanPro' for roofing solutions. We offer two types of roofing solutions, namely Trapezoidal & Sinusoidal (corrugated). The pre-painted galvanized/galvalume roofing products have a long life and are totally recyclable, if replaced properly.

SERVICE CENTER FACILITIES

Turakhia Steels Pvt. Ltd. provides state of art service centre facilities for all valued clients. Here we have set up full-fledged service centre for iron & steel, to perform Slitting and cut to length (CTL) of steel with an aim to offer all services under a roof and cater to all the clients.

REAL ESTATE

Our newest venture is in the real estate industry, with our dream project, "Nakshatra". Nakshatra is a mini township set in the town of deolali. An amazing offering with the state of art, amenities, ideas location and great ambience encompassing mother nature at its best.
